DIRECTOR EXPLAINS RELIEF CAMPAIGN

Memphis, Tenn. (Special)—B. R. Thornbury of New York city, recently designated director for the state of Tennessee for the Jewish Relief Committee is in Memphis in the interest of an intensive campaign for funds, to complete the fund for the relief of Jews and non-Jews in Eastern Europe—the area wherein there are 6,000,000 starving souls without a livelihood.

Mr. Thornbury explains the appeal of the Relief Committee to Jew and Christian alike, that it is not only to feed and clothes these suffering ones, but also to rehabilitate their homes and energies in order that they may become self-supporting.

Justification, in a measure, for appealing to members of all creeds and races is given by reason of the following facts as outlined by Mr. Thornbury:

"Our Joint Distribution Committee, which dispenses all funds, while primarily ministering to Jewish sufferers, have found everywhere large numbers of non-Jewish sufferers and have been moved to make no distinction in communities where they are found. About one-third of our funds are used to meet the needs of these non-Jews. In all wartime appeals made by our

government, the Jewish people responded with patriotism to the extent of millions of dollars.

"The Jewish people gave more than 200,000 Jewish men to the American army in response to the call of the president and thousands of Jewish women enlisted in various war work organizations."

The campaign will be conducted over the state June 21-28.

Gained Ten Pounds

Before Taking ZIRON, Alabama Man Was Weak, Nervous, Had No Appetite, But is Now Strong.

EVERY man and woman, who is in a run-down, weak condition, with bad complexion and poor appetite, due to lack of iron in their blood, should find Ziron helpful and strength-building.

It is a scientific, reconstructive tonic, composed of ingredients recommended by leading medical authorities.

Describing his experience with Ziron, Mr. George W. S. Lanier writes from Jones, Ala.: "Sometime back, I was in a terrible condition. I was weak and nervous, and had a tired feeling all the time. My skin was muddy. I had no appetite, and at morning I didn't feel like getting up. I was reading of Ziron and decided I would try it . . .

"Will say that Ziron is a good medicine. I have gained ten pounds in four months. Am strong and have a good appetite."

Ziron is a mild iron tonic, good for young and old. It helps to restore the system, when run-down by overwork, under-nourishment, caused by stomach or bowel disorders, or as a result of some weakening illness.

Get Ziron from your druggist. He sells it on a money-back guarantee.

Look at the roads for twenty miles around on a Sunday

THERE isn't any "country" any more. The automobile has brought the most remote settlement almost as close to the center of things as the next county was in the old days.

II

To hear some tire dealers talk you might think that nobody knew anything about tires except the fellow from Broadway.

That's not the basis we go on.

We give every man credit for knowing *what he is spending his money on*, whether he drives up here in his small car from ten miles out in the country or is passing through from the capital in his limousine.

III

That's one thing we like about U. S. Tires.

They make no distinction between the *small car owner* and the owner of the *biggest car in the country*.

It's all the same to them. So long as a man owns an automobile—large or small—he's entitled to the very *best tire* they can give him.

Quality has always been the *outstanding feature* of U. S. Tires. There's no *limit* on the U. S. guarantee. All U. S. Tires are guaranteed *for the life of the tire*.

IV

We have given a lot of thought to this tire proposition. There is some advantage in being the representatives of the oldest and largest rubber concern in the world.

Drop in the next time you're down this way and let us tell you some interesting facts about tires.

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Nobby.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—everywhere—U. S. Royal Cords.
